

Grade 2 Weekly Overview
Week 15: December 7th – 11th

Unit of Inquiry: How the World Works

Central Idea: People create solutions to changing landforms.

Lines of Inquiry:

- Identify landforms on a map.
- Factors that change landforms.
- Features of a solution.

English Language Arts:

- Daily 5 – Throughout the literacy lesson, students are reading to themselves, reading to a friend, working on their writing independently, listening to reading and practicing making words. Students are also reading with their teacher in small groups.
- Writing: Students are beginning to write procedures. Procedures explain how to do something. For example, how to play a game or following a recipe.
- Grammar: Connectives (first, next, then, finally).

Phonics: or

Spelling: ask, went, read, need, score, sport, report, short, solution, landform.

Math: Everyday Math Unit 4

- Please find the Parent Letter and Home Links on our [website](#).
- Addition and subtraction number stories.
- Parts and total number stories.
