

Grade 2 Weekly Overview
Quarter 4
Week 29: April 26th – 30th

Unit of Inquiry: Sharing the Planet

Central Idea: Living things depend upon each other and their habitat.

Lines of Inquiry:

- Characteristics of organisms (form).
- Characteristics of habitats (form).
- The interaction between an organism and its habitat (connection).

Teacher Questions:

- What are the needs of living things?
- What is a habitat?
- Why is a habitat important?
- How do living things in a habitat support each other?

Don't forget to check the [weebly for useful websites and apps!](#)

English Language Arts:

- Daily 5 – Throughout the literacy lesson, students are reading to themselves, reading to a friend, working on their writing independently, listening to reading and practicing making words. Students are also reading with their teacher in small groups.
- Writing: Students are learning to write *information reports*. Information Reports give a factual description of a thing or animal. It is written in the present tense and includes important facts which describe the animals appearance, habitat, diet and behaviours.
- Grammar: Present tense verbs. A verb which is taking place now. When writing information reports we are using timeless present tense verbs which continue over time. For example: Fish swim in the oceans. Tigers are good hunters.

Phonics: wh-

Spelling: why, when, where, what, which, while, whisper, whistle, characteristics, desert

Math: Everyday Math Unit 9: Measurement

- Everyday Math Unit 9 Written Assessment
